

By CheyenneAH56

The French soldiers installed on the civilian airfield in North of the Chernarussian country, have for mission to help the local populations.

The lack of resources for the civilians is a situation become very worrisome.

The mission consists in distributing foods and medicines in the most destitute villages.

It is about an unlimited mission, based on the humanitarian aid

A simple command by radio allows to stop the mission when you wish it.

**Needed Addons :**

hexa\_wheeled  
hexa\_air  
hexa\_water  
hexa\_language  
hexa\_sounds  
hexa\_characters  
hexa\_weapons  
hexa\_tracked
