

# STAR WARS™ SPEEDERBIKE™ ADDON FOR OPERATION FLASHPOINT™

## Notes:

This Speederbike is a non-commercial addon which adds a new unit to the game Operation Flashpoint™. It is unsupported by Bohemia Interactive and/or Codemasters. This addon is supplied with no support and I (the creator) can not be held responsible for any damage this addon might do to your computer. You may use this addon for your own non-commercial, personal, use. All rights remain to me (the creator). You are not allowed to distribute this addon in any way (this includes provision of this addon for download on a website, or anything similar).

## Installation:

To install this addon simply copy the file "speeder.pbo" into the Addons folder of your Operation Flashpoint installation. You can choose it then in the editor from the menu Civillian/Car/Speederbike.
